10 to enter into agreements and arrangements with any Government or Authority, supreme, municipal, local or otherwise which may seem conducive to the Company's objects or any of them and to obtain from any such Government or Authority and rights or previleges and concessions which the Company may think it desirable to obtain, and to carry out, exercise and comply with any such agreements, rights, privileges and concessions and to oppose the grant or any such rights, privileges or concessions to others.

11 to provide for the welfare of the directors, officers, employees and ex-directors, ex-officers and ex-employees of the Company and the wives, widows and families or the dependents or connections of such persons, by building or contributing to the building of houses, dwellings or chawls or by grants of money pensions, allowances, bonus or other payments, or by creating and from time to time subscribing or contributing to provident or other associations, institutions, funds or trusts, and by providing or subscribing or contributing to institutions of instructions and recreation, hospitals and dispansaries, medical and other attendance and other assistance as the Company may think fit, and to subscribe or contribute or otherwise to assist or to guarantee money to charitable, benevolent, religious, scientific, national or other institutions and objects which shall have any moral or other claim to support or aid by the Company either by reason of locality of operation or of public and general utility or otherwise;

12 to do all or any of the above things and all such other things as are incidental or may be thought conducive to the attainment of the above objects or any of them and as principals, agents, contractors, trustees or otherwise, and either alone or in conjuction with others etc., etc.

Whereas the Company has applied to the Government of Mysore (hereinafter referred to as "the Government") that certain lands the pieces and parcels of land more particularly described and delineated in the Schedule herein annexed and situated in Amarvathi and Hospet Village, Hospet Taluk, Bellary District and hereinafter referred to as "the said land", should be acquired under the provisions of the Land Acquisition Act, 1894 (I of 1894)

(hereinafter referred to as "the said Act", for the following purposes (likely to prove useful to the public) namely:—

(i) for the expansion scheme of the Tungabhadra Steel Products Limited, Tungabhadra Dam such as construction of buildings for structural shop, pipe factory, galvanizing plant, foundry, forge plant, shop for manufacture of cranes, etc., etc.

(ii) and also for the construction of buildings such as technical administrative block, administration block, dispensary canteen etc , etc.

(iii) for the construction of staff and workmen quarters.

And whereas the Government, having caused an inquiry to be made in confomity with the provisions of the said Act and being satisfied as a result of such inquiry that the acquisition of the said land is needed for the purposes, of T.S.P. limited has consented to the provision of the said Act being put in force in order to acquire the said land for the Company and has pursuant to Section 41 of the said Act required for the Company to enter into an agreement hereinafter contained with the Government.

Now these presents witness and it is hereby agreed that Government shall put in force the provisions of the said Act in order to aquire the said land for the Company on the following conditions namely:—

(1) The Company shall pay to the Government the entire cost, as determined by the Government of the acquisition of the said land, including all compensation, damages, costs, charges and other expenses whatsoever, which have been or may be paid or incurred in respect of or on account of such acquisition or in connection with any litigation arising out of such acquisition either in the original or Appellate Courts, and including the costs on account of any establishment and salary of any officer or officers of the Government whom the Government may think it necessary to employ or depute on special duty for the purpose of such acquisition and also including percentage charges on the total amount of compensation awarded as prescribed by Government.

The moneys which shall be payable by Company under this clause shall be paid by it by the initial deposit with the Deputy Commissioner, Bellary District (Hereinafter called the Deputy Commissioner) of the sum of Rupees three lakhs only within seven days after the execution of this agreement and thereafter by payment to the Deputy Commissioner in writing of such further amount or amounts as the Deputy Commissioner shall from time to time estimate to be as advance and the Company shall also open irrecoverable letter of credit on State Bank of India in favour of the Special Assistant Commissioner, No. I, Tunga Bhadra Project, Hospet or his successor in office for the balance amount of the monies required for the porposes of paying or disbursing any compensation damage charges or such other expenses hereinbefore referred to when such demand is made by the Deputy Commissioner in writing.

(2) On payment of the entire cost of the acquisition of the said land, as herein above referred to, the whole of the said land shall as soon as conveniently may be transferred to the Company at the cost in every respect of the Company so as to vest in the Company subject to the provisions of the Mysore Land Revenue Code (hereinafter called the "said Code"), and the rules made thereunder the subject also to the provisions of this Agreement as to the terms on which the land shall be held by the Company.

(3) The said land when so transferred to and vested in the Company shall be held by the Company as its property to be used only in furtherance of and for purpose for which it is acquired, subject nevertheless to the payment of agricultural on agricultural or other assessment if and so far as the said land is or may from time to time be liable to such assessment under the provisions of the said code and the rules made thereunder, and the local fund cess as the case may be.

4 The Company shall.—

(1) not use the said land for any purpose other than that for what it is acquired ;

(2) to undertake the work of construction of the building or buildings required for the expansion scheme within five years from the date on which possession of the land is handed to the Company and complete the same within five years from the aforesaid date ;

(3) at all times keep and maintain the said land and the building or buildings erected thereon in good order and condition to the satisfaction of the Deputy Commissioner;

(4) maintain all records of the company properly and supply to the Government punctually such returns and other information as may from time to time be required by the Government;

(5) Not use the said land or any building that may be erected upon it for any purpose which in the opinion of the Government is objectionable.

5. The company shall from time to time and at all times permit the Government or any officer or officers authorised by the Government in that behalf to inspect the said land any works of the company upon the said land whether in the course of constructions or otherwise and shall furnish to the Government from time to time on demand correct statements of the monies expanded by the Company to the construction of the said works of the Company upon its said land.

6. In case the said land is not used for the purposes for which it is acquired as hereinbefore recited or is used for any other purpose or in case the company commits a breach of any of the conditions thereof and terms of the agreement, the said land together with the buildings, if any erected thereon shall be liable to resumption by the Government subject however to the condition that the amount of the awards as finally settled less the 15 per cent awarded for compulsory acquisition of the said land or its value as undeveloped land at the time of resumption, whichever is less (but excluding the cost or value of any improvements made by the Company to the said land or any other structure standing on the said land) shall be paid to the Company.

Provided that the same land and the buildings if any erected thereon shall not be so resumed unless due notice of the breach complained of has been given to the Company and the Company has failed to make good the breach or to comply with any directions issued by the Government in this behalf, within the time specified in the said notice for compliance therewith.

(7) If at any time or times the whole of any part of the said land is required by Government or for the purpose or making any new public road or for any purpose connected with public health, safety, utility or necessity the company on being required by the Government in writing shall transfer to the Government the whole or part of the said land as the Government shall specify to be necessary for any of the aforesaid purposes and in consideration of such transfer the Government shall pay to the Company a sum equal to the amount of the compensation awarded under the said Act and paid by the Company in respect of the land so transferred including the percentage awarded under Section 23 (2) of the said Act, together with such amount shall be estimated by the Executive Engineer, Public Works Department whose decision in the matter shall be final, as the costs of the development of the land so transferred which shall include the value at the date of transfer of any structures standing therein, and

When part of a building is on the land so transferred and part is on an adjoining land, reasonable compensation for the injurious affection of the part of the building on the adjoining land.

(8) that the company shall make necessary arrangements at their own cost with the concerned Departments for the shifting of transmission, telephone and such other lines running on the lands proposed for acquistion.

(9) That the company shall leave a margin of 50' on either side of the Central line of the railway track now running (Hospet to Kottur line) and 100 ft. from the centre line of Basavanna Channel, on the right bank. The company shall also leave 80' from the centre line on either side of the Amaravathi road as per ribbon development rules.

(10) All the costs and expenses of and inciden al to the preparation and execution of these presents shall be paid by the company.

SCHEDULE
